

RTPR advises AROBS Transilvania Software on new acquisition

RTPR has assisted AROBS Transilvania Software, an important Romanian company that provides software services and solutions in various industries and the largest tech company listed on the Bucharest Stock Exchange, in relation to the acquisition of Enea Services Romania SRL, the software development services business of the Swedish group Enea AB, one of the world's leading specialists in software for telecommunications and cybersecurity.

“We thank our partners from RTPR for their support in this complex transaction, from the first discussions to the official signing. Their involvement was paramount to the success of this acquisition, which is the largest in the history of AROBS Group”, declared Voicu Oprean, founder and CEO of AROBS.

RTPR involved in this deal a team made of [Alina Stavaru](#) (Partner) and [Vlad Druta](#) (Senior Associate) for the transaction documents, who were joined by [Ana Maria Barbu](#) (Senior Associate), [Diana Dimitriu](#), [Adrian Hlistei-Muresan](#) (Managing Associates), [Miruna Tocileanu](#) and [Flavia Mincu](#) (Junior Associates) for the due diligence process.

“In recent years we have had the opportunity to work with AROBS Transilvania Software in several transactions, either as their lawyers or on the other side of the negotiation table. Each time we met the same professional discussion partner, with well-established development plans and a superior entrepreneurial spirit. I am sure that this transaction marks only a new stage in the development of the company and we look forward to new challenges”, declared Alina Stavaru, Partner RTPR.

“Congratulations to the AROBS Transilvania Software team for a new transaction in the IT sector, a field which is continuously evolving, with a great outlook for Romanian entrepreneurs. We are happy to have contributed with our expertise gained in similar projects to the success of this acquisition and we will follow with great interest the dynamics of AROBS’ business growth.”, said Vlad Druta, Senior Associate at RTPR.
