

Stratulat Albulescu advises GapMinder Venture Partners on its investment in OutThink

Stratulat Albulescu (SAA) advises GapMinder Venture Partners on its investment in OutThink, a cybersecurity human risk management platform.

The round was led by AlbionVC, with the participation of TriplePoint Capital, Forward Partners, GapMinder VC and Innovate UK.

With this funding of USD 10 Milion, OutThink will be able to continue expanding its technological leadership and accelerate international distribution.

Founded in 2019, [OutThink](#) combines machine learning, natural language processing and applied psychology to identify people's attitudes and behaviors. OutThink measures real-world security behaviors reveals unique risk patterns across an organization and prevents data breaches like never before. Whirlpool, Danske Bank, Rothschild, NatWest, and other FTSE 100 companies are among its clients.

[GapMinder](#) is a Venture Capital Fund which aims at providing capital in Seed and Series A rounds for Romanian born start-up companies in the Technology Sector.

SAA dedicated team included *Managing Partner* [Silviu Stratulat](#) (who led on the deal) and *Associates* [Roxana Ioncu](#) and [Alina Pirvoi](#).
