

LegiTeam: WH Simion & Partners is looking for a Senior Associate

We are currently seeking to recruit a Senior Associate to join our team in Bucharest, Romania.

The person occupying this position will:

- Provide legal advice and business expertise to clients as requested by the Firm in relation to corporate, regulatory, employment, intellectual property and transactional matters
- Assist with regulatory advice on licensing applications and on-going compliance obligations of regulated entities
- Draft and review legal opinions, agreements, policies & procedures
- Mentor junior lawyers and review/oversee their work and help them develop their career

The ideal candidate for this job should:

- Be a member of the Bar and have a minimum 2 years of qualification
- Where a member of the Bar, implicitly should have a degree in law

Working with our firm is a career choice rather than just a job. We aim to provide our people with an environment where they can flourish, professionally and personally. We will always seek to provide our candidates with the support and tools they require to develop their potential.

Applications will be submitted on the company's platform, here: [WH Simion & Partners](#)
