

LegiTeam: Reff & Associates is looking for Associate | Banking & Finance

We are looking for an enthusiastic Associate to join our Banking & Finance team.

WHO WE ARE:

Reff & Associates is the local member of **Deloitte Legal**, the international network of legal practices working with Deloitte all over the world. This global network comprises of over 2,000 lawyers in 81 countries. With a team of over 70 lawyers, R&A is recognized as a leading law firm in Romania, with an aggregate of approx. EUR 1 billion deals assisted each year. The affiliation with Deloitte Legal gives Reff & Associates access to state of the art global resources and tools together with the ability to serve clients seamlessly across the world.

With a *Banking & Finance* practice of 8 lawyers part of Deloitte Legal's Banking & Securities Group, **Reff & Associates** has built an extensive track record advising on all areas of transactional banking:

1. Trading of portfolios & single tickets exposures: During the last 4 years we have assisted in more deals with an overall par value close to EUR 6 billion. We provide a full spectrum of sell-side and buy-side services, from pre-transaction decision-making, via due diligence, structuring aspects, bids' benchmark, transaction execution and closing to post-execution servicing.
2. Financing transactional work / Borrower's side and Lenders' side: we provide assistance in financing transactions including new money financings in bilateral and syndicated loans, refinancing and loan restructurings (consensual and non-consensual).
3. M&A involving financial sector entities: We worked on a large number of M&A transactions in the financial services sector, covering inter alia due diligence exercises on credit institutions, bank acquisition mandates, inter-bank mergers (including cross-border mergers), transfer of banking & leasing business.
4. Debt servicing: Loans servicing arrangements: structuring advice; assistance with the design and set up of the servicing platform/service level agreements; Design and set-up of co-investment structures for sharing funding costs when acquiring an NPL portfolio.
5. Regulatory & compliance – focus on the digitalization of the industry: in addition to standard regulatory assistance (e.g. authorisation of banks and financial institutions (e-money, IFNs, payment institutions) with the National Bank of Romania), we focused our efforts in the successful deployment of digitalization initiatives (PSD2, eSignatures, etc.).
